

Westleigh Swim Team Participation Code

The following participation code is in effect for the summer of the year dated by signatures.

Parent/Guardian Code of Conduct

MCSL and its activities are for the benefit of children. The goals of the league include helping young people establish a love for the sport of swimming, while developing advanced aquatic skills, teamwork, and the principles of good sportsmanship. To accomplish these goals, parents/guardians must conduct themselves in a manner consistent with creating a positive experience for children and their families.

As a Parent or Guardian of a child registered with an MCSL member team, I am responsible for the conduct of my guests and other family members. MCSL teams will not tolerate a parent or guardian yelling at or belittling a child, an official, a coach or another parent or guardian in any way.

As an adult and role model, children are influenced by my words and actions. I agree to the following:

1. I will be a positive role model for children and will encourage them to reach the highest levels of sportsmanship and to follow the rules.
2. I will be respectful and courteous of others, and will support and encourage swimmers, officials, team representatives, and coaches through my positive actions and attitude.
3. I will not engage in any kind of unsportsmanlike behavior with an official, coach, swimmer, or parent/guardian, such as arguing, booing, taunting, or using profane language or gestures.
4. I will teach my child to treat other swimmers, coaches, team representatives, and officials with respect regardless of age, race, creed, color, gender, or ability.
5. I will respect and support the team representatives', officials' and coaches' authority during meets and will never argue with, question, discuss, or confront officials or coaches.
6. I will support a swimming environment for my child that is free of drugs, tobacco, and alcohol, and will refrain from their use at all swim meets.
7. I recognize that parent participation is a requirement for my family's inclusion in the team. As such, I will volunteer at each meet in which my child is swimming and help with other team activities as needed. This is a family activity, and as a parent I will be involved and committed to its success.
