 **Family Volunteer Email Address:** _____

SignupGenius.com will be used to organize meet volunteers. Sign up links will be sent to the Family Volunteer Email Address specified above. The first time you click on an invitation link, you will create an account with the above email address as the ID. You will need this ID to login and sign up for a job **at any meet in which your child is swimming**. Since MCSL Certification is required for Referee, Starter and Stroke & Turn, these volunteers will be handled offline. Online positions include timer, clerk of course, scorer and ribbon writer. Additional jobs for home meets include set up/clean up, runner, concession stand and hospitality.

 **Registration will not be accepted without a Family Volunteer Email Address. Volunteering is required and makes parents part of the Barracuda team!**
